Education

Koneru Lakshmaiah University — Andhra Pradesh, India
Bachelor of Technology in Computer Science and Engineering — *Aug 2025 – May 2028*

Dr.B.R. Ambedkar Govt Model Residential Polytechnic for Women — Telangana, India
Diploma in Computer Science and Engineering — *2022 – 2025*

Projects

Tribal Handicraft Platform | *HTML, CSS, JavaScript, MySQL* — 2025

- Developed an online platform allowing 10+ tribal artisans to showcase and sell handmade products, increasing product reach.
- Integrated a MySQL database to efficiently store product information, user profiles, and purchase records.
- Designed a responsive and user-friendly interface that supported 60+ users and facilitated 50+ successful test transactions.

Student Mentoring Record Management System | *HTML, CSS, JavaScript, MySQL* — 2025

- Built a database-backed application to track student attendance, academic performance, and extracurricular activities.
- Enabled mentors to maintain student progress reports while allowing parents, especially those of hostel students, to monitor academic updates easily.
